FEBLM200LED

200mm LED & De-Mist Magnifying Swivel Arm Mirror

Modern and stylish, the FEBLM200LED illuminated chrome finish bathroom mirror is ideal for applying make-up or for shaving. The LED light and the 5X magnifying mirror allow you to see clearly when you apply make-up or shave. The pull cord switch simply turns the light on/off while the adjustable head and wall bracket allow for a wide range of movement.

The mirror is IP44 rated and fully splashproof, making it as functional as it is fashionable.
