

Zero Maintenance Round Polo LED Bulkhead, CCT Changeable.
Ideal for common areas of domestic and commercial environments:
Multiple Blocks of Flats, Workshops, Garages, Warehouses, Sports Halls and the like.

Dimensions:

Key specifications:

● **Housing:**

- **Base:** Polycarbonate
- **LED Tray:** Powder coated Aluminium
- **Diffuser:** Grade A Polycarbonate
- **CCT Changeable Switch on the Geartray:** 4000K/5000K
- **Interchangeable trims** available (white trim included):

Lumen Output:

- 4000k - 1270lm
- 5000k - 1300lm

● **Electrical:**

- **Power Source:** 220-240V/AC
- **Frequency:** 50/60Hz
- **Rated Load:** 15W

● **Other specifications:**

- **Zero Maintenance**
- **IP Rating:** IP54
- **Working temp.:** -20°C ~ +40°C

EMERGENCY & SENSOR OPTIONS AVAILABLE

Emergency specifications:

- Integral Emergency Inverter
- LEDTEK Branded Inverter
- Batteries: Ni-Cd Batteries
3.6V, 1600mAh
- Green LED Emergency indicator
- Fully compliant with UK emergency regulations

Sensor specifications:

- Detection Type: Microwave Sensor
- Detection Angle: 360°
- Detection Range: 4-10m (Max)
- Time setting: 1-30 minutes
- Light control: 10LUX ~∞ (Adjustable)
- Working humidity: ≤95%RH

Sensor corridor specifications:

- 10% Light output on stand-by
- Detection Type: Microwave Sensor
- Detection Angle: 360°
- Detection Range: 4-10m (Max)
- Time setting: 1-30 minutes
- Light control: 10LUX ~∞ (Adjustable)
- Working humidity: ≤95%RH
